PETITION FOR POLE AND WIRE LOCATIONS

North Andover, Massachusetts

To the City Council
Of Northampton Massachusetts

NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Burncolt Road-National Grid to install (1) Sole owned pole on Burncolt Road to relocate service to house #237. Service is now crossing roof.
Location approximately as shown on plan attached

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Burncolt Road-Northampton Massachusetts .

18405140 January 5, 2015

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Re: Pole Petition #18405140 (Burncolt Road)

Ned:

I have reviewed DPW records and visited the site to view the proposed pole location. No monumentation was observed in the vicinity of the proposed pole location. The proposed pole location was approximately 38 feet east of the centerline of the intersection of Spring Grove Avenue and 4.5 feet from the south edge of the Burncolt Road. Based on available information, I do not see any issues for the DPW with this petition.
